**REQUEST TO EXTEND
FILING DEADLINE**

On February 2, 2006, the Arizona Corporation Commission ("Commission") issued Decision 68453 granting to Woodruff Water Company, Inc. ("WWC") and to Woodruff Utility Company, Inc. ("WUC") Certificates of Convenience and Necessity ("CC&Ns") to provide water utility service and wastewater utility service to a 3,200-acre parcel between Casa Grande and Coolidge to be developed as a master-planned subdivision known as Sandia ("Sandia"). In its decision, the Commission required, *inter alia*, that WWC and WUC each file a rate application no later than three months after the fifth anniversary of the effective date of the Decision (by May 2, 2011).

On May 31, 2011, Desert Troon Companies ("Desert Troon"), the current owner of the Sandia parcel, filed a request to amend Decision 68453 so that the rate applications need not be

1 filed until development of Sandia commences. On July 5, 2011, Utilities Division Staff ("Staff")
2 filed a Memorandum recommending that the rate application filing deadlines for WWC and
3 WUC be extended to a date no later than five years after service is provided to their first
4 customers.

5 On July 11, 2011, the administrative law judge issued a procedural order requesting
6 additional information from WWC and WUC, and directing the utilities to provide that
7 information by August 11, 2011. The procedural order directed Staff to review the information
8 submitted by the utilities and to file a response supplementing its July 5, 2011 Memorandum by
9 September 12, 2011.

10 WWC and WUC have been working to assemble the information requested in the August
11 11, 2011 procedural order, but require additional time to complete the requested filing.¹ Thus,
12 WWC and WUC request that the August 11, 2011 filing deadline be extended two weeks to
13 August 25, 2011, and that the September 12, 2011 filing deadline for Staff be extended two
14 weeks to September 26, 2011. Counsel undersigned has discussed the requested extension of
15 the deadlines with Staff counsel, and he confirmed that Staff does not object to the extension.

16 RESPECTFULLY submitted this 28th day of July, 2011.
